

**Grace fills empty spaces, but it can only enter where there is a void to receive it, and it is grace itself which makes this void** but I don't know Grace anymore. We used to be best friends until the restraining order.

*\*Simone Weil, Gravity and Grace*

## OUR LITIGIOUS SOCIETY

We live in a very litigious society  
and this is the price we must pay  
for free horse porn.

Can I show you how to write *DMT*  
on the walls with poop,  
as you regulate the gendering of bathrooms  
with an iron fist?

No strangulation can withstand the law  
of an anti-abortion bomber.

Football hard drug and girlfriend abuser —  
now what are the Browns going to do  
for a quarterback next season?

Let me ask you a question:  
do you want to love me  
or do you want to eat me?

hahaha you moron.  
what are you doing in jail  
If you're gonna do something stupid  
on the internet  
do it before friday  
so you don't spend the weekend in lockup,  
waiting for the judge for 60 fucking hours.

How come nobody remembers *snafe babies* but me!?  
Did someone in my junior high school  
just make up that word,  
*snafe*?

It refers to a method of conceiving child  
involving a straw, semen  
and the asshole of a sex worker  
who trades in crack cocaine.
